10 Libra Traits

1. Observant

You clock the fake smile and the empty apology before anyone else in the room does.

2. Diplomatic

You can say the hardest thing so sweetly that people thank you for it later.

3. Indecisive

Twenty minutes on a restaurant isn't weakness, it's you weighing every option out of care.

4. Loyal

When you love someone, you show up, and you remember who showed up for you.

5. Private

You keep to yourself until someone proves they're real, and that's wisdom, not coldness.

6. Agreeable

You'll smile, nod and say it's fine, then quietly decide what you'll actually do.

7. Fair

You hear every side, even the ones you disagree with, and you land on what's right.

8. Graceful

You make a room feel calmer, and you make a plain Tuesday feel a little prettier.

9. Forgiving

You forgive fast in your head, then take your sweet time letting people back in.

10. Generous

You give so much that rest has to be something you schedule on purpose.
