♐

Worth Without Proof

Sagittarius, I don't have to earn my place by doing three things at once. I'm worth it standing still.

♐

Real Friends Only

I keep friends who can handle my silence and my honesty. Quality beats a crowded group chat.

♐

Forgiving Myself First

Sagittarius, I forgive the archer who aimed before she could see the target. She shot with the sight she had.

♐

Travel Light Heart

I can leave what's finished without a dramatic scene. A quiet exit is still an honest one.

♐

The Power Of No

No is a full sentence, and I say it without a speech or an apology.

♐

Blunt Words Landing

Some people will call my honesty harsh. I can be misread and still be kind.

Finishing One Thing

Sagittarius, I'm allowed to finish one thing just because it feels good to close the door.

Words I Mean

Sagittarius, I only say let's catch up when I mean it, and I follow through when I do.

Enough Already

I am enough before the new plan, the new hobby, or the new haircut.

Rest After Rushing

When I've been rushing, I stop. My body is allowed to catch up with my calendar.

Choosing My People

I choose people who feel like fresh air. I don't owe a seat to everyone.

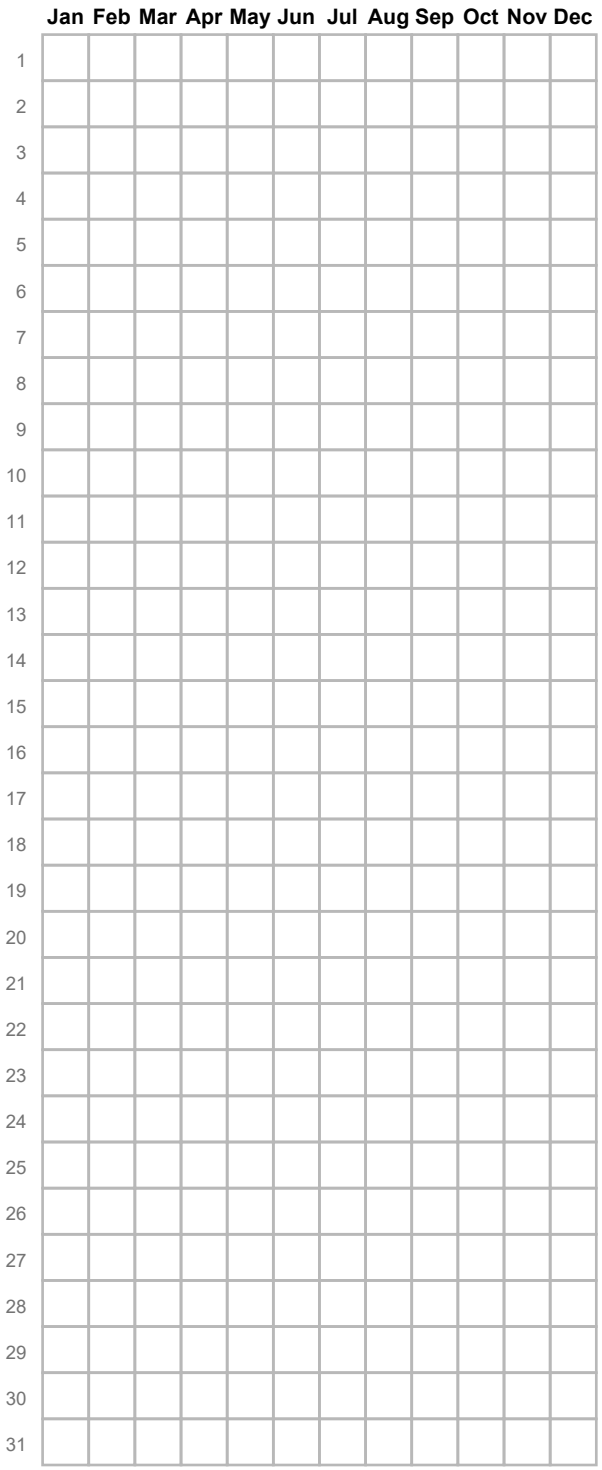

Home Is Peace

I make my home a place where my busy mind can finally go quiet.

My Year in Moods

Color one square a day: a color for great, one for ok, one for low.

☐ great ☐ ok ☐ low
