Hello, Puzzle Friend!

Dot to dot: start at number 1 and draw a line to 2, then 3, and keep going. What picture did you make? Write its name on the line and color it in.

Word scramble: the letters of each word are all mixed up. Put them back in order and write the word on the line. The first pages have a word box to help you.

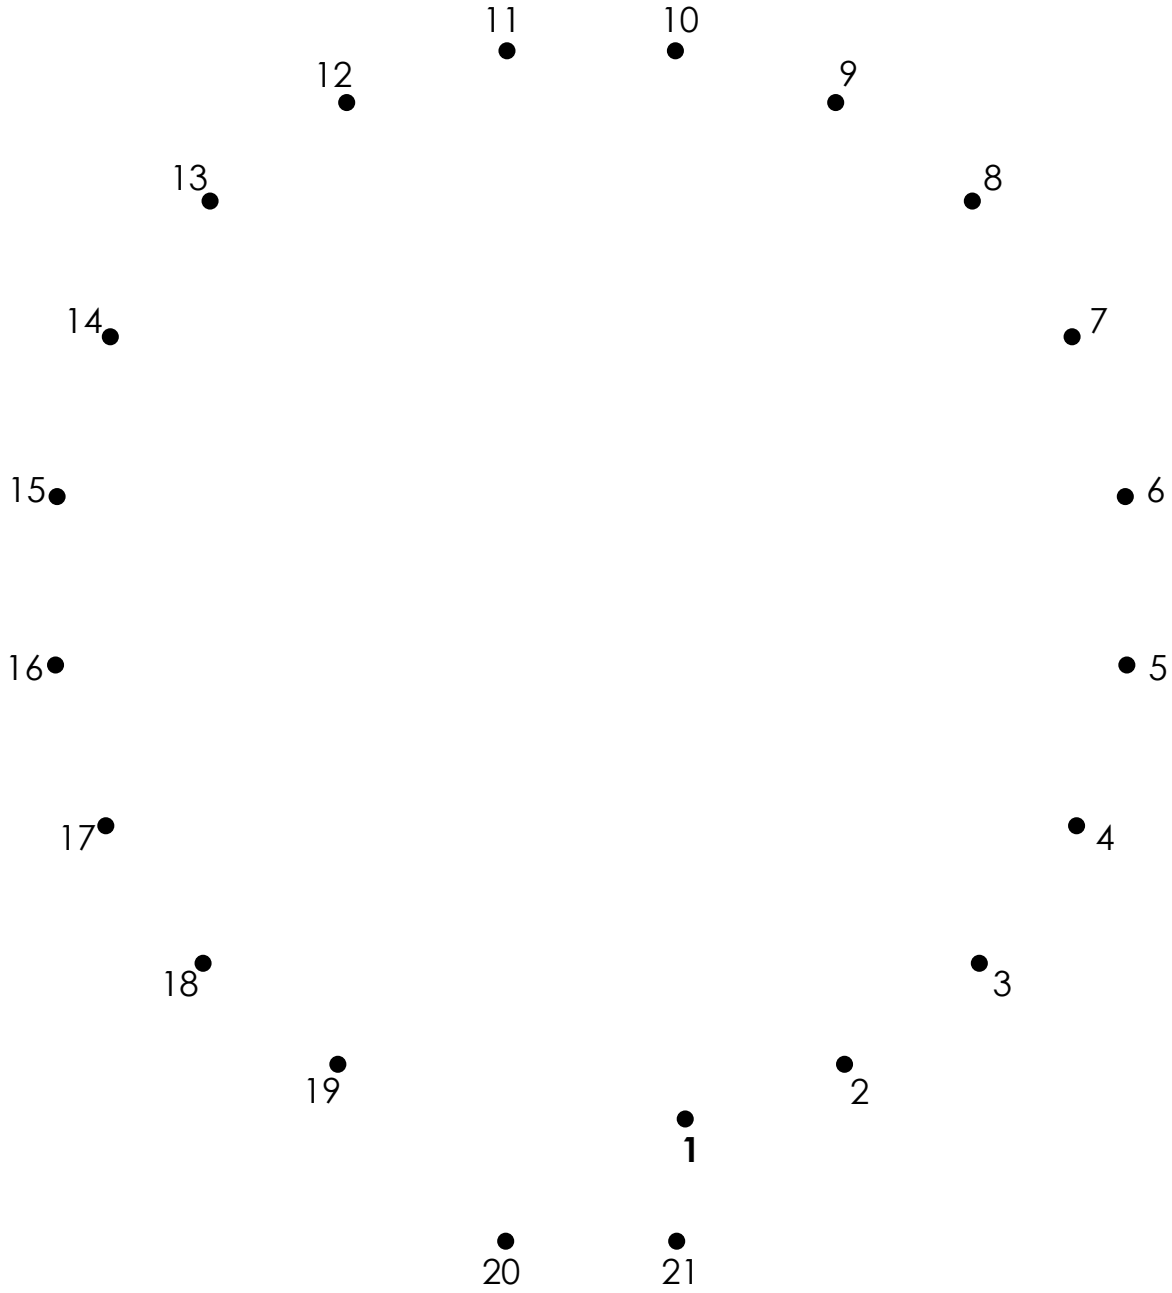

Mazes: start at the arrow and find the way to the star. Use a pencil so you can try again.

Grown ups: the puzzles get a little harder as the book goes on. Answers are at the back.
